

EXCITING CHANGES ARE HERE!

The Denville School District is partnering with Morris Hills Regional High School and Pomptonian Food Service to introduce a new School Lunch program at Lakeview Elementary School.

This is how you can create an account and begin to place lunch orders for your students.

How do I place an order? Registration is optional, but it allows you to check-out faster with subsequent orders and review order history or you can click on New/Returning customer. Please follow these simple steps below.

- **New/Returning Customer or register for a new account at <https://denville.pomptonianmenus.com/order>**
- **Choose available meals for purchase from the meal schedule.**
- **Enter payment information.**
- **Complete checkout and receive email receipt.**
- **For changes, cancellations, or order refunds, please refer to the email receipt.**

Special Dietary Needs (Allergies)

The cafeteria operation is peanut/tree nut aware and items that list peanuts or tree nuts in the ingredient label are not used in production of the elementary meals.

We are committed to working with children with allergies so they can participate in the lunch program and have a positive experience. The Food Service Director is in charge of the production and distribution of these meals has been trained in allergy sensitivity and food safety. Parents of students with documented food allergies are encouraged to contact the School Food Service Director at Morris Hill Regional at mhrdcf@mhrd.org for additional information and/or support. Parents of students with documented serious allergies should not order online; please contact the Food Service Director to ensure all nutrition labels associated with your child's meal are reviewed.

Frequently Asked Questions

Q: Can I place an order for the entire month or week?

A: This new online ordering system gives parents complete flexibility. You can place an order for the entire month, or weekly, if you prefer.

Q: What are my payment options?

A: Parents can pay online by credit card.

Q: What if my child is eligible for Free or Reduced-Price meals?

A: This system recognizes students' pay status.

Q: How do I cancel lunch and get credit?

A: If a parent needs to cancel lunch for any reason, such as a child's illness, they can do so by emailing the Food Service Director at mhrdcaf@mhrd.org. Cancellations may be made up to 8:00 a.m the morning the student is to be absent. This applies to free, reduced, and paid lunches. Cancellations will be credited back to your account.

Q: Can a parent change the item they have chosen for a particular day?

A: If a parent needs to change a child's meal, they would have to email the Food Service Director at mhrdcaf@mhrd.org, who can make that change for them. This cannot be done online for an order that was already placed.

Q: What type of confirmation will parents receive regarding their orders?

A: After a parent places an order, they will receive an email with the detail of their order/s. It will indicate the meal choice ordered on which day and the price of that meal.

Q: What do I do if my child has special dietary needs, such as a food allergy?

A: In the case of a child with serious dietary needs, parents need to email the Food Service Director to discuss the child's needs and ensure that the menus available will satisfy and protect the child.

Q: Can my child order a second slice of pizza?

A: Yes, this is one of the menu choices. You will see, when placing an order, a one-slice pizza meal, as well as a two-slice pizza meal.

Q: Can faculty and staff participate in the program?

A: Yes. Any staff member can enter information for an order, similar to a student and then choose “Staff” when indicating which homeroom class they are in.

Q: What happens on a snow day?

A: The school policy will be to automatically issue credits to all students who placed an order on a day when the school is closed due to inclement weather. There is no need for the parent to take further action on these days.
