

# IRONTON CITY SCHOOLS

“TO TEACH, TO NURTURE, TO SERVE”

---

Dear Ironton Families:

The open (in person) parent/teacher conferences scheduled for Monday, November 1, 2021 have been canceled due to the high levels of COVID-19 Community Transmission, which is still impacting Lawrence County. However, it is our sincerest goal to meet the communication needs of our stakeholders in the most personal and meaningful context for each family. In lieu of in person parent/teacher conferences, we are offering a variety of alternative methods to connect parents with their child’s teacher(s) that will provide for greater frequency throughout the school year. We have established a goal for 100% of our teaching staff to connect with 100% of our families’ multiple times between now and February 17, 2022.

In order to facilitate this process and to address the communication needs of our families, we ask that you provide your preferred method of contact. Please select from the following:
