12/20 - PJ & Movie Day - donations to
Make-A-Wish Foundation
12/21 - Christmas Sing (9:30) - Classroom
Parties (1:15-1:45) - 2pm dismissal

Student Council Food Drive

KJHS collected 787 canned food items.

They were donated to the Knoxville Council of Churches to fill Christmas Baskets.

I know for certain that at least one KJHS student received a Christmas basket at home.

5th grade Totem Poles

Per Mrs. Bainter - "We finished our Totem Pole Project, and the students did such a great job! I was so impressed with their presentations, and their hard work. I enjoyed learning more about their families and I could easily hear the pride in their voices. They had to choose four animals from the list that aligned with their family's virtues, create their totem pole, and present on their totem pole with examples. I was so incredibly proud of all of them. I really think they enjoyed this project!"

World Christmas Celebration Day

KJHS Athletics

Boys Basketball - more than halfway done

- 7th grade record: 3-10 (2-5 in PLC)
- 8th grade record: 7-6 (4-3 in PLC)

- 12/21 - Pep assembly 1:15 pm

KHS

Today, KHS hosted 25 returning 2018 graduates to share their first semester college/career/military experience with our current seniors. This is the fifth year of *True Confessions of a College Freshman* hosted by Mrs. McNeese and Mrs. Hise. The event has become a fun annual tradition for our alumni community.

KHS

Knoxville Senior High School is pleased to recognize nine students selected by ISAC as Illinois high school students who have been named 2019-20 State Scholars for their outstanding academic achievement. Approximately the top ten percent of graduates from approved high schools are announced as State Scholars each year for this honorary recognition.

KHS

Clue:

We had 41 individuals audition for 15 available parts in the drama club's selection of the play "CLUE". I turned the play into 25 available parts with A LOT of manipulation because I couldn't stomach cutting that many students. We also had 17 students sign up to help with various levels of stage crew! I would say that the drama program is definitely THRIVING here at KHS!

KHS

Student Council:

KHS STUCO collected around 1300 cans to be used to make 70 Christmas baskets for Knoxville area families. STUCO members are also hosting a Christmas spirit week this week, as well as a gingerbread house competition amongst advisories.

KHS

AG:

FFA members competed and placed 2nd at Vet Science CDE in Galesburg on December 12th. Knoxville students that made top 10 individuals overall were Evan Link 2nd, Kalley Sennar 5th and Kit Hopkins 9th.

Vet Tech classes are making Christmas dog treats for pets that will be delivered to teachers or anyone interested toward the end of this week. Extras will be donated to humane society.
