KNOXVILLE HIGH SCHOOL

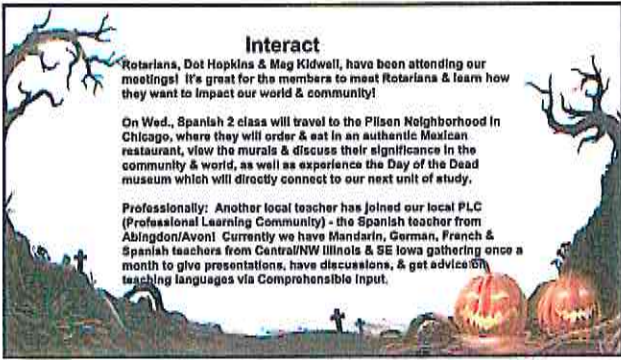

Interact

Rotarians, Dot Hopkins & Mag Kidwell, have been attending our meetings! It's great for the members to meet Rotarians & learn how they want to impact our world & community!

On Wed., Spanish 2 class will travel to the Pilsen Neighborhood in Chicago, where they will order & eat in an authentic Mexican restaurant, view the murals & discuss their significance in the community & world, as well as experience the Day of the Dead museum which will directly connect to our next unit of study.

Professionally: Another local teacher has joined our local PLC (Professional Learning Community) - the Spanish teacher from Abingdon/Avon! Currently we have Mandarin, German, French & Spanish teachers from Central/NW Illinois & SE Iowa gathering once a month to give presentations, have discussions, & get advice on teaching languages via Comprehensible Input.
