

INCLEMENT WEATHER PROCEDURES

As the seasons are changing and inclement weather will soon be approaching, please review our communications procedures for closings, delays or early dismissals below.

Inclement Weather Notifications - Closings, Delays and Early Dismissals

If York Academy closes, has a delayed start or early dismissal, we will send parents/guardians a message (email, phone and/or text message). It is very important that you keep your contact information current in [Sapphire](#). We will also post updates on the York Academy website at <http://yorkacademy.com/> and on social media:

- Facebook: <https://www.facebook.com/yorkacademycharter/>
- Twitter: https://twitter.com/york_academy
- Instagram: https://www.instagram.com/york_academy/

In case of an early dismissal, PLEASE DO NOT CALL THE SCHOOL. We need to keep our phone lines open to allow the school districts to be able to communicate as to what time their busses will be coming to pick up the students. We would like to remind you to keep your home school district's transportation phone number in your phone. Please make sure that you and your child have a plan in case of an early dismissal.

Flexible Instructional Days

When we are able to plan for inclement weather, students will complete their assignments at home. Students in grades K-7 will receive hard copies of assignments and students in grades 8-10 will receive their assignments via [Managebac](#). All students and parents with access to technology are welcome and encouraged to communicate with teachers between 8 a.m. and 4 p.m. via email, SeeSaw and Class Dojo.

All students are responsible for completing and turning in their assignments by the fourth school day after they are received. Student attendance for the Flexible Instructional Day will be determined by the completion of the assignments. In order for the student to be considered present, the assignments must be turned in within four school days, otherwise the student will be considered absent.

Make-Up Days

There are two potential make-up days scheduled in our 2019-2020 calendar. The first one is Monday, February 17, 2020 and the second one is Friday, March 27, 2020. Make-up days will only be used after we utilize five Flexible Instructional Days.

Home District Closed - York Academy Open

In the case when your child's home school district is closed and York Academy is open, your child will not have bus transportation to and from school. If you choose not to drive your child to and from school on those days, your child's absence will be excused.

Diverse learners. Collaborative thinkers. Bright futures.
