

COVID-19 FAQ

Where can I get tested for COVID-19?

- Grapefruit Community Testing Pods
 - 7th Street Maintenance Garage
 - Child Family Center
- Local pharmacies (CVS, Rite Aid, Walgreens)
- CompleteCare (Millville)
- Riverside Urgent Care (Delsea Drive)
- Inspira Medical Center (Vineland)
- Find locations, book appointments, or order free at-home testing kits here:

covid19.nj.gov/testing

Where can I get the COVID-19 vaccine?

- Local pharmacies (CVS, Rite Aid, Walgreens)
- Inspira Medical Center (Vineland)
- Your family primary care provider
- Cumberland County Department of Health
 - Find locations and book appointments here:

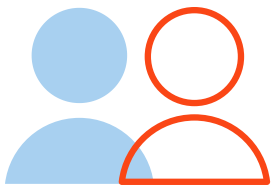

cumberlandcountynjvaccination.org

What do I do if I test/my child tests positive for COVID-19?

- **Vaccinated and Unvaccinated:**

- Quarantine and isolate from family members for **10 days** from the date of your positive COVID test result
- **Staff:** Contact HR at hrcovid@millville.org
- **Students:** Contact your school nurse (see next page)
- Return to school/work after 10 days and if symptoms are not present (may provide doctor's note)

What do I do if I am/my child is identified as a close contact?

- **Vaccinated:**

- Monitor for symptoms (Quarantine is not mandatory)
- **Staff:** Contact HR at hrcovid@millville.org
- **Students:** Contact your school nurse (see next page)
- It is recommended you get a COVID test on day 5, 6, or 7

- **Unvaccinated:**

- Quarantine for **10 days** from your exposure date
- **Staff:** Contact HR at hrcovid@millville.org
- **Students:** Contact your school nurse (see next page)
- Get a COVID test on day 5, 6, or 7
 - If you have a negative COVID test result by day 8 you can end your quarantine
 - Continue to monitor for symptoms for 14 days

If your child tests positive at ANY TIME over Winter Break (December 24th - January 2nd):

- **Contact your School Nurse or email hrcovid@millville.org**
- **If you do not hear back from the district, do not send your student to school on January 3rd.**
