STUDENT/PARENT CODE OF EXCELLENCE

474 Bennington Avenue
Youngstown, OH 44505

A Message from the CEO

Dear Scholars, Parents, and Guardians,

Welcome to the Youngstown City School District. At YCSD, we put the health and safety of our scholars and the whole school community above all else. But we can’t achieve an ideal school climate and culture unless we all work as a team.

We want our scholars to be safe and engaged in learning. The Student/Parent Code of Excellence explains the behavior expectations that our scholars should model and what behaviors we intend to correct as well as the possible consequences for those who don’t abide by the Code. It also includes academic components as well. It’s important for scholars and parents to understand their rights and responsibilities as well as our expectations.

Both scholars and their parents or guardians must sign the Code, agreeing to follow the expectations it details.

At YCSD, we believe in a culture of respect -- students, teachers, staff, administrators and families respecting each other and themselves.

The Code lists the potential penalties for each infraction. The core of The Code is to be followed throughout YCSD schools with the individual schools tailoring some components to the needs of the respective buildings.

We strongly encourage parents/guardians to review the Code with their scholars to ensure everyone understands their rights and responsibilities.

Let’s make it a great school year.

Sincerely,
Justin Jennings
Chief Executive Officer
Youngstown City School District

C.H.A.M.P.s (Pre-K-8)-Teacher Directed

The overall goal of the CHAMPs classroom management system is to develop an instructional structure in which students are responsible, motivated, and highly engaged in the specific task at hand. More particularly, the teacher’s goal is to teach students directly how to be successful in specific class situations.

The CHAMPs acronym stands for:

- **Conversation:** Can students talk to each other during this activity?
- **Help:** How do students get the teacher’s attention and their questions answered?
- **Activity:** What is the task/objective? What is the end product?
- **Movement:** Can students move about during this activity?
- **Participation:** How do students show they are fully participating? What does work behavior look/sound like?
- **Success:** When students meet CHAMPS expectations, they will be successful!

P.B.I.S. (Positive Behavior Intervention and Supports)-

Positive Behavioral Interventions & Supports defines PBIS as: a decision making framework that guides selection, integration and implementation of the best evidence-based academic and behavioral practices for improving important academic and behavior outcomes for all students. In general, PBIS emphasizes four integrated elements: data for decision making, measurable outcomes supported and evaluated by data, practices with evidence that these outcomes are achievable, and systems that efficiently and effectively support implementation of these practices. The PBIS framework is part of Youngstown City Schools’ Pyramid of Interventions, a step-by-step process that uses both prevention and intervention techniques to meet the needs of the whole child.

**Universal Expectations**
- BE Respectful
- BE Responsible
- BE Safe

**Tier of Interventions**

PBIS consists of three tiers of intervention: Schoolwide, Targeted, and Intensive

Each YCSD building has implemented building specific universal expectations based on their building goals.

Restorative Practices-

Restorative practices are based on mutual respect and responsibility with embedded principles that focus on repairing and restoring relationships among students, staff and the community. It is our aim to address the school climate, culture, and the social-emotional growth of our students through implementation of these principles. Our vision is to create alternatives to traditional, punitive discipline, which are often exclusionary, and instead keep our students in school in a safe learning environment. With this philosophy our educators will seek to create a sense of community ownership among our students by empowering our youth to self-regulate without the need for formal discipline. With these problem-solving strategies included in this Code,

Youngstown City Schools will affect positive change in student behavior and maximize appropriate conduct, promote healing for all those impacted by the behavior, generate social capital, empower victims, and their families along with offenders through shared responsibility and constructive resolutions, and engage in collective responsibility for both the victim and offender’s support system for making amends and shaping future behavior. Ultimately, our goal is to reduce problem behavior and improve school culture and climate and academic performance through meaningful instruction and guidance to offer students an opportunity to learn from their mistakes and contribute back to the school community.

Both restorative practices and P.B.I.S. are positive approaches to student behavior in that they promote positive environments and give students direct opportunities to develop and use positive skills. When implemented together and implemented well, both can help to boost the same outcomes, such as improved school climate, student-student and student-teacher relationships, reduced conflicts, and decreases in exclusionary discipline practices such as suspensions.

**WHAT DO WE EXPECT OF STUDENTS?**

Students are EXPECTED to maintain standards of behavior that are consistent with the character and legacy of YCSD and the community. Each student represents YCSD through his/her words and actions.

**ALL STUDENTS SHOW RESPONSIBILITY BY:**

1. Coming to class prepared for learning- BE RESPONSIBLE

3. Following directions the first time.
4. Speaking and writing in appropriate language.

A student in halls at any time other than class change must carry, in a visible manner, an authorized hall pass written in ink with the student’s name, date, time, destination, and the signature of the school personnel issuing the pass. HARASSMENT POLICY

The Board of Education of the Youngstown City School District prohibits discrimination in its educational activities and programs, and seeks to eliminate harassment, including sexual harassment. It is the policy of the Board that all students be treated with respect. Discrimination, harassment, hostile treatment or violence against a student because of his gender, race, color, religion, ethnic or national origin, political beliefs, marital status, age, sexual orientation, social and family background, linguistic preference, or disability is strictly prohibited and will not be tolerated.

HONOR AND MERIT ROLL

Academic success is our tradition at YCSD. Honor Roll status is achieved by maintaining a 3.5 average or higher during any grading period. Merit Roll status is achieved by maintaining a grade point average between 3.00 and 3.49.

A citizenship mark of 4 or 5 in any subject will disqualify you from placement on the honor or merit roll. Honor Roll/Merit Roll lists will be posted each quarter.

ILLNESS AT SCHOOL

If you become ill at school, you will request a pass to the main office or health clinic. When illness prevents you from returning to class, the attendance office or assistant principal will notify your parent, guardian, or the designated adult on your emergency form, and you will be sent home.

No students are permitted to leave school at any time without the permission of a parent and attendance personnel or assistant principal and signing out prior to leaving the building. Anyone leaving without proper authorization will be subject to disciplinary action.

INCOMPLETE GRADES

A teacher may issue an incomplete grade only with the principal’s approval. The only reason for an “Incomplete” grade is the failure to complete the course or class requirements due to excused absence. Failure to complete these requirements within two weeks will cause the incomplete grade to be changed to an “F”.

INTERNET ACCESS

The use of the Internet is a privilege, not a right, and inappropriate use will result in cancellation of those privileges. The Youngstown City School District’s administration will determine what appropriate use is and their decision is final. Students are given internet access guidelines and must have a signed parent/guardian consent form on file in the school office.

LIBRARY

The Library is available to all students for study and research. You should make arrangements with the librarian if you have a specific library research project to complete. Students are subject to the rules of the library and may lose Library privileges should they not comply. To use the internet in the Library, students must have an internet use form on file. Computer use in the Library and other designated locations at YCSD is encouraged and made available for educational and instructional research purposes only. Inappropriate use of the internet and/or waste of materials such as paper or printers supplies will result in loss of computer privileges.

LOCKERS/LOCKS

Each student will be assigned a locker by his/her first period teacher. School lockers are Youngstown City School District’s property loaned to students for their convenience. The Board of Education extends the use of lockers to students only for legitimate purposes such as storage of books, coats, lunches, study materials and the like. An administrator may search any locker without prior warning, without your knowledge, presence or permission, in seeking contraband. These searches may occur on a regular or a random basis for the purpose of assuring that the school is a safe place to work and study. Students are not to share lockers, locker combinations or store property in anyone else’s lockers.

LOST AND FOUND

Lost items are located in the main office or cafeteria closet. At the end of each semester, all items not picked up will be donated to charity.

MAKEUP WORK
Students who are absent from school and do not have a parent call the school per the absence guidelines will be considered unexcused and will not be able to make up work missed. Following excused absences, the student must contact his/her teachers and arrange a mutually satisfactory time for makeup work. **Students must be absent from school for at least three days to request pick up of makeup work.** Parents may call the counseling office to request work and the counselors will request the work from the teachers. Parents of students who will be absent for more than 10 days should contact their counselor for possible assignment of home instruction. Students absent during a semester exam will not be permitted to take a makeup exam unless a note from a doctor is presented to the Principal. If a student is suspended, they are permitted to make up any missed assignments, however, they will only be provided the number of days they were suspended to make up the work.

**MESSAGES**

Only **EMERGENCY** messages will be delivered. An emergency is an accident, illness or serious family problem. If information about transportation, doctor appointments, house keys, etc., is not available before your child leaves for school, please instruct him/her to check with you during his/her lunch period.

**NATIONAL HONOR SOCIETY**

The National Honor Society is an organization which honors those students who are outstanding in scholarship, service, leadership, and character. Parents are encouraged to join and take part in the YCSD

**SCHOOL CLOSINGS & DELAYS**

When school is closed because of weather conditions or some other emergency situation, it will be announced through the districts’ mass phone call system. Parents must ensure that they have an updated phone number on file. Please do not call the school about closing; listen or watch one of these stations. There will be occurrences when there will be a 2-hour delay due to weather/road conditions. Breakfast will NOT be served on 2 hour delay days.

*YREC- 11th and 12th graders are still responsible for attending college courses. Transportation must be provided by parents/guardians.*

Students are advised that their vehicles, lockers, desks, persons, and personal belongings are subject to search for contraband and/or harmful or dangerous substances or other reasonable suspicious items or circumstances.

This may result in a search of a student’s book bag, locker, person, or other items. Any student found in possession of a drug or related paraphernalia will be subject to the Code of Behavior policy, as well as possible criminal charges.

The Youngstown City School District use metal detectors to check for weapons and other contraband. When metal detectors are in use, students will be required to pass through a detector.
