Definition of Extra-curricular Activities and Interscholastic Sports

Extra-curricular activities and interscholastic sports are those student activities which are under the control of the District and the individual schools but extend beyond class instruction and the regular school curriculum, carry no academic credit, usually supervised and/or financed by the school, and students enjoy some freedom in selection, planning and control. Examples of such out-of-school activities would be as follows: student government, school publications, service clubs, athletic teams, special interest clubs, drama productions, debate teams, cheerleading, music productions, etc. Excluded from the aforementioned and extracurricular activities which are directly related to classroom instruction in a course for which credit is given and all students are expected to participate after school hours as part of the student’s grade.
Eligibility Criteria

In computing a student’s eligibility for the purpose of participating in extra-curricular activities and interscholastic sports, all subjects undertaken by the student and for which a final grade is recorded and credit received are to be considered.

The Faculty Manager and/or Principal shall require that each student athlete, who participates in either an interscholastic or intramural sport, submits Form 2431 F1 and Form 2431 F2 signed by the student and his/her parent or guardian, or by a person having care or charge of the student, affirming that each has received the Ohio Department of Health’s concussion and head injury information sheet. The forms shall be signed and submitted on an annual basis. No student may practice or compete in interscholastic or intramural athletics until Form 2431 F1 and Form 2431 F2 are received by the Athletic Director or Principal.

Students shall be fully informed of the curricular-related and extra-curricular activities available to them and of the eligibility standards established for participation in these activities. Students will be further informed that participation in these activities is a privilege and not a right, and that they may be prohibited from all or part of their participation in such activities by authorized school personnel without further notice, hearing and/or appeal rights (See Policy 5610.05 - Prohibition from Extra-Curricular Activities). District-sponsored activities shall be available to all students who elect to participate and who meet eligibility standards.

Independent Legal Counsel

This policy does not prohibit Board employees from consulting with their own independent legal counsel, but they are prohibited from discussing or releasing student personally identifiable information to a third party except as expressly authorized by Board Policy (Policy 8330).
