Please add $6,188 for each additional household member

*Please note that household size should include:
- Parents (if married or if biological parents are not married but living together). If parent is re-married and you stay with that parent and his/her new spouse, you will need to include your parent and his/her new spouse as part of your household.
- If parents are divorced, separated, or if living in a single parent home, only include the parent that provides more than 50% support as part of your household.
- Your guardian(s) if under a guardianship.

You will also need to include any dependent children living in the household. This includes children who have graduated high school and are enrolled in college but under age 24 and adults that are classified as dependent in tax filings. If a parent provides more than 50% financial support, to another adult in the household (e.g. grandmother, grandfather), they should be included in the household size.

** Students who are in foster care, a ward of the state, homeless, or live with grandparents or another relative will have to submit documentation from a case worker, school social worker or court documents verifying their status. These students do NOT have to provide proof of income.

Applications can be submitted by mail to the YSP staff member in your city, in-person (with all application components in a large manila envelope – see last page of Frequently Asked Questions for a list of YSP Program Coordinators) OR via e-mail (with application, essay and other documents attached electronically) to ysp@osu.edu.
The Ohio State University is committed to building and maintaining a diverse community to reflect human diversity and improve opportunities for all. The university is committed to equal opportunity and eliminating discrimination. This commitment is both a moral imperative consistent with an intellectual community that celebrates individual differences and diversity, as well as a matter of law. Ohio State does not discriminate on the basis of age, ancestry, color, disability, gender identity or expression, genetic information, HIV/AIDS status, military status, national origin, race, religion, sex, gender, sexual orientation, pregnancy, or veteran status in its programs, activities, employment, and admission. See below for inquiries regarding potential discrimination.

APPLICATION AND ADMISSIONS – FREQUENTLY ASKED QUESTIONS (FAQs)

Application DEADLINE: Friday, February 7, 2020

How do I apply?
Interested students or parents may pick up a scholarship application from the YSP Program Coordinator in your city or by visiting our website at http://odl.osu.edu/ysp/. Completed applications with supporting documents should be submitted in person or by mail on or before the deadline. Space is limited and the process is competitive.

Is the Young Scholars Program (YSP) Scholarship a full-ride?
The YSP scholarship is not a full-ride scholarship. The YSP scholarship is a need-based award meaning that the amount of the scholarship is determined by the family’s financial unmet need after federal and state aid has been awarded. Since families have different levels of financial need, the amount of the scholarship will vary from student to student. The Young Scholars Program will host financial aid workshops in your cities to help explain how the scholarship works, and how the scholarship will contribute to your student’s cost of attending The Ohio State University.

What qualifies as first-generation?
First generation is defined as any student whose (biological or adoptive) have not attained a bachelor’s degree from any institution of higher education. The education of siblings, aunts and uncles, etc. is not considered. If the prospective student does not reside with his or her biological or adoptive parents at the time of application, then the parent’s education will not be considered. An associate or vocational/technical degree does not disqualify you from being eligible for the Young Scholars Program.

What are the requirements to maintain eligibility for the scholarship?
Once accepted into the Young Scholars Program, scholars must meet the following criteria:

- Attend and actively participate in monthly college readiness workshops
- Attend and participate in group and one-on-one college advising meetings twice per month
- Have a strong desire and motivation to enroll in and graduate from a 4-year college or university.
- A minimum unweighted GPA of 3.3 or above (minimum B+/A- average).
- Have a good school attendance record.
- You must reside in the state of Ohio and be enrolled in one of the following school districts at the time of admission: Akron Public, Canton City, Cincinnati Public, Cleveland Metropolitan, Columbus City, Dayton Public, Lorain City, Toledo Public, and Youngstown City.
- Commit to successful completion of a college prep curriculum in high school that includes 4-5 units of Math, 4 units of English, 4 units of Science, 3 units of Social Studies, 2-3 units of the same foreign language, 1 unit of Visual and Performing Arts as well as Advanced Placement (AP), International Baccalaureate (IB) and/or honors and advanced courses with an unweighted GPA 3.3 or above
- Complete the Free Application for Federal Student Aid (FASFA) by November 1 of your senior year.
- Take the ACT or SAT during their junior year of high school.
- Attend summer programs and campus visits.
- To be eligible to receive federal and state financial aid and the Young Scholars Scholarship, the student must be a U.S. citizen or U.S. National, a U.S. permanent resident or hold a valid T-Visa (T-1, T-2, T-3, etc.) or eligible immigration status prior to beginning their senior year in high school. See the enclosed Frequently Asked Questions sheet for more details.

What happens if I change schools or attend a high school outside of the nine eligible YSP school districts?
Students are considered for the Young Scholars Program based on enrollment at a public school in one of the participating YSP cities attended at the time of admission to the program. A change in high school will not remove a student from the program. Students may remain active in the Young Scholars Program as long as they remain Ohio residents, and continue to attend all required workshops and activities.
What if I am not a US citizen but I want to apply to the program?
Students are not required to be US citizens or permanent residents at the time of application to the program. In the case that a student is accepted into YSP, they must be a US citizen, permanent resident or eligible non-citizen by the time of application to The Ohio State University at the start of their senior year of high school.

- You must select the option that indicates your citizenship status. Select U.S. citizen if you are a U.S. citizen or U.S. national. Select Eligible noncitizen if you are:
  - A U.S. permanent resident, with a Permanent Resident Card (I-551), or a conditional permanent resident with a Conditional Green Card (I-551C)
  - Other eligible noncitizen with an Arrival-Departure Record (I-94) from the Department of Homeland Security showing any one of the following designations: “Refugee,” “Asylum Granted,” “Parolee” (I-94 confirms that you were paroled for a minimum of one year and status has not expired), T-Visa holder (T-1, T-2, T-3, etc.), or “Cuban-Haitian Entrant”
  - The holder of a valid certification or eligibility letter from the Department of Health and Human Services showing a designation of “Victim of human trafficking”
  - A resident of the Republic of Palau (PW), the Republic of the Marshall Islands (MH), or the Federated States of Micronesia (FM)
  - A Canadian-born Native American under terms of the Jay Treaty

Are the program requirements only limited to the academic year?
No. The Young Scholars Program requires participation in short term, residential programs for pre-college students each summer. This includes Junior Summer Institute (after sophomore year), Samuel DuBois Cook Summer Academy (after junior year), and the Young Scholars—Early Arrival Program (after high school graduation).

What if I am in foster care, a ward of the state, homeless, or live with my grandparents or another relative? Do I still qualify to apply?
Yes, documentation (e.g. court documents, written statement from social worker, or written statement from counselor) should be submitted to verify the student’s circumstance and eligibility. In November of the student’s senior year of high school, completion of the Free Application for Federal Student Aid (FAFSA) will be required to determine a student’s financial need for college. At this time, the student must verify their independent status again.

Why do I have to give you my financial information to apply for the Young Scholars Program? What if I refuse?
Program participants must meet the income guidelines established by the Young Scholars Program. Submission of documents verifying income is required to establish eligibility for program participation. Refusing to provide financial information and documentation will result in a student’s ineligibility for the program.

Do I have to be nominated to apply to become a Scholar?
No nomination is required, but student recommendation forms are a part of the complete application. Students and parents interested in applying to YSP must submit a completed application packet by the deadline.

If I qualify for free or reduced lunch, do I automatically qualify for the Young Scholars Scholarship?
No, the income guidelines to qualify for free and reduced lunch and the Young Scholars Program are not the same. See the YSP income guidelines for program eligibility.

If one of my parents receives a bachelor's degree before I graduate from high school, will I still qualify for the scholarship?
Yes, prospective students must be first-generation at the time of application to the Young Scholars Program. Students will not be dismissed from the program because one or both parents receive a bachelor’s degree during the student’s participation in the pre-college portion of the program.

What else do I have to pay for?
There are no costs to students and parents participating in the pre-college portion of YSP. However, students and their families should plan to contribute financially to the student’s college education and should be saving money. How much families need to contribute will be based on the family’s financial situation at the time of application to Ohio State. YSP will host Ohio State Financial Aid workshops to help families understand financial aid and college costs. At this time, scholars will learn about the YSP scholarship, anticipated educational expenses, and available financial aid. After high school graduation, scholars should anticipate paying for their participation in University Orientation.
How long will I receive the scholarship?
Students awarded will receive the scholarship for 8 semesters (typically 4 years). Once enrolled at Ohio State, students must meet the cumulative GPA requirement, continue to file the FAFSA by the priority deadline and submit verification (if selected) by their deadline. Students will also need to meet satisfactory academic progress toward their degree.

When I go to college, what is included in the Young Scholars scholarship?
The Young Scholars Scholarship amount may vary from student to student based on information received in the Free Application for Federal Student Aid (FAFSA). The scholarship is part of the student's financial aid package, which includes federal and state grants and work-study. The financial aid package usually covers tuition, fees, room and board (housing and meals), and in some cases books and other educational related costs. This will vary based on a family's financial situation at the time of the scholar's high school graduation.

Do you have to attend Ohio State, Columbus campus to receive the Young Scholars scholarship?
Yes, students receiving YSP funding must be admitted to and attend Ohio State-Columbus campus to receive the scholarship.

If I am accepted to Young Scholars Program, do I receive automatic admission to Ohio State?
No. You must successfully complete all high school college prep requirements with the required GPA, take the ACT or SAT with scores sent directly to Ohio State, meet Ohio State undergraduate admission requirements, submit a complete and on-time application to Ohio State, and follow all other procedures necessary to gain admission.

What happens if I am not accepted to Ohio State or I'm accepted to a regional campus?
The YSP Scholarship is offered only to students accepted to Ohio State Columbus campus. Students not accepted to the Columbus campus may be considered for financial aid but will not be awarded the YSP Scholarship.

Can I become ineligible for the Young Scholars Program Scholarship?
Yes. Scholars can become eligible for the YSP scholarship if they do not:
- Attend and actively participate in meetings, workshops and summer programs and meet all program requirements
- Meet program curricular requirements in high school
- Are not a US citizen or permanent resident at the time of application to Ohio State University at the start of their senior year of high school

Young Scholars Expectations:

- Attend scheduled campus visits and summer programs
  - Serve as opportunities to familiarize scholars with the Ohio State Columbus campus including academic support services, resources, student life, and current undergraduate YSP scholars.
- Participate in one-on-one success coaching meetings as scheduled
  - Individual meetings with scholars monthly to discuss any pertinent issues, ensure they are completing their academic goals for the year and continue conversations from previous months.
- Attend mandatory monthly YSP workshops
  - Monthly workshops implement the Eight Components of College Readiness. The eight components build aspirations and social capital, offer enriching activities, foster rigorous academic preparation, encourage early college planning, and guide scholars and families through the college admission and financial aid processes.
- Participate in ACT prep and take the April ACT exam their junior year
  - Scholars will be expected to retake the ACT if their composite score is below 24
- Must maintain a minimum cumulative 3.3 unweighted GPA
  - Scholars who do not have a cumulative unweighted GPA of 3.3 by September 1 of their senior year will be ineligible for the YSP scholarship.
- Must take an applications based mathematics course through their senior year
  - Which are: Algebra, Geometry, Algebra II, College Algebra, Trigonometry, Pre-Calculus, Calculus and/or Calculus II
- Complete the Free Application for Federal Student Aid (FAFSA) their senior year
- Complete the Common Application to apply to Ohio State by the Oct 1st YSP deadline

The Young Scholars Program scholarship award, is a need-based scholarship award and not a "full-ride" scholarship. Young Scholars receive a financial aid award which meets 100% of demonstrated financial need.

Ohio State Undergraduate Admission criteria and YSP requirements:

- Successful completion of Ohio State's minimum college prep requirements (see table below)
- High school performance (class rank or GPA), including participation in accelerated programs like Honors, AP and IB; Ohio State does not have minimum requirements for class rank or GPA
- Standardized test score (ACT or SAT); Ohio State does not have minimum requirements for ACT or SAT scores
- Ability and desire to contribute to and engage with a diverse campus community
- Experiences that demonstrate leadership or engaged involvement (e.g., co-curricular activities, work experiences or military service)
- Status as a first-generation college student
- Demonstration of outstanding talent in a particular area
- High school performance if adversely affected by physical, mental or learning environment factors
- Eligibility for and likelihood of benefiting from organized support services at Ohio State
