2021 Summer Independent Reading Grades 6-8

Dear Parents and students,

Summer is a time for leisure and relaxation. It is, therefore, an excellent opportunity to engage in some leisurely and relaxing reading. The Denville Township School District is founded on the belief that encouraging students to read year round is a key element in the development of lifelong learners.

This year, we are asking that students, along with their families, carefully choose the novels that will most interest them. All books are free-choice, but should be grade appropriate. Students should take this as an opportunity to explore a subject or an author they are interested in. ***Students in the CORE level classes will be required to read one novel and students in the Advanced and Accelerated classes will read two.***

The form below needs to be completed by parents as verification of completion of the reading. This will be the first homework grade of the school year. Enjoy your summer & happy reading!

Please fill out, sign and return the bottom portion to your Language Arts teacher by the end of the first week of school.
