October 22, 2021

Good afternoon D-R Families,

We hope that you have a wonderful weekend, but wanted to update you on two items - chromebook insurance and the lunch menu.

### **CHROMEBOOK INSURANCE**

If you are still interested in purchasing insurance for your child's school chromebook, we have worked with our insurance provider to extend the window through October 31st. Click on the following website to enroll: <https://gpo.worthavegroup.com/gpo/drregionalsd/>. The annual cost for the insurance is \$28.

Please know that if there is damage to your child's school chromebook, you are responsible for the cost of the repairs without the insurance as outlined in the original chromebook forms. The cost ranges from \$50 to the full replacement cost of \$250.

If you are interested, please sign up by October 31st. The window will not be extended beyond the 31st.

### **LUNCH MENU UPDATES**

The Dighton- Rehoboth Food and Nutrition Department is asking for your patience and support as we navigate new challenges. Nationwide shortages and delays have affected availability of certain food items, leading to substitutions of menu items. These supply issues are occurring throughout the country and are especially challenging for school systems, due to the quantity of meals we serve and the nutrition standards we follow. The entire food service industry is currently faced with unprecedented shortages and massive delays or cancellations of deliveries.

The D-R Food and Nutrition Department may need to make quick substitutions to our menu(s) based upon what we are able to acquire. They will do their best to provide updates about menu changes, when possible, as soon as an issue is identified.

If you have any questions, please do not hesitate to reach out to your child's school directly.

Sincerely,

Adam Blaisdell Ed.D.
