III. NEW BUSINESS

IV. WATERFORD HIGH SCHOOL
Ryan Kelly from Field Turf was in attendance and reported that there should be no major delays on the project, as long as the weather continues to cooperate. Handouts were distributed to the Committee showing the latest timetable for the softball field as well as drawings of the field and bullpen and dugout areas. Mr. Miner reported that there was a change in the posts and cables for the batting practice area in order to meet CIAC regulations. Mr. Koning expressed concern about any softballs that could be hit out into the road but Rob Morelli and Ryan Kelly stated that balls would be hit towards the woods, and additionally home plate is approximately 50-60 feet from the access road and they have extended the height of the backstop to prevent this from happening. The next School Building Committee meeting is scheduled for March 19, 2020.
