The Waterford Public Schools’ Leadership Academy is a collaborative effort between Waterford Public Schools and the Connecticut Association of Schools.
The Waterford Public Schools’ Leadership Academy is a year-long learning experience that includes targeted professional learning on effective leadership and completion of a leadership project in the district. Professional development sessions will focus on all facets of effective leadership, attendance at select conferences, potential shadowing opportunities, and development of a personal growth action plan. The program is designed to develop a cadre of educators committed to developing their leadership skills, expanding their leadership knowledge base, and taking an active role in school improvement and student success.

Participants will gain an enhanced understanding and ability to apply professional practice, concepts, and values in learning and leadership. Session topics will include:

- Mission and Vision
- Culture Leadership
- People Leadership
- Instructional Leadership
- Organizational Management

Application Process

Thorough and proper screening of potential candidates will enable the district to identify high quality educators for the Leadership Academy. Candidates will be asked to complete an application before being screened by the Selection Committee. This process will help to identify, nurture, and retain high quality staff leaders and engage our staff in the shared success of our district. Applications will be due no later than Monday, May 21, 2018 by 4PM.

Developing your leadership skills will be the means to enable you to lead change among your fellow school personnel and help you develop the disposition and skill needed for improved student academic achievement.
