Our WPS One-to-One Device Program is up and running and students have been issued their devices! Now that the program has been rolled out, the district feels it is important to share some reminders that students and families should keep in mind.

- Chromebooks are considered school property, a device is assigned to students and will be returned at the end of the determined period.
- Students/Families are not to add personal GMail accounts onto the Chromebook.
- Students in Grade 4 through Grade 12 should bring a fully charged device to school each day, unless notified by a staff member.
- Students are expected to bring the charger to school each day in the event that the device needs charging. Loss of a charger will result in students purchasing a replacement through the main office at a cost of $37.
- The use of a Chromebook is a privilege that can be revoked. Inappropriate use or neglect of a device can result in limits to, or loss of use of the device.
- Parents should monitor the use of the device at home to ensure that its primary function is academic and that students are completing assigned school work rather than gaming, chatting, etc. Daily times for device usage are encouraged in the home since no time limitations will be set by the District.
- The cost of a loss/theft of a device due to negligence of the student will be charged to the parent/guardian. See below for current pricing.

### Accidental/Intentional Damage

Sports Update:

Cross Country: Our runners continue to improve their times through great practices. This past week we have been working on trail running at Stenger’s and had a meet on Thursday at Rocky Neck against East Lyme Middle school. The team has 70 participants.

Girls and Boys Soccer: Both teams were in action this week with their first games and continue to practice together.

Afterschool Help & Clubs

We are thrilled to be able to offer extracurricular activities this year. It was wonderful to see so many kids stay after to work with teachers, and to participate in some clubs this past week. For an updated list of clubs, please click here. If you have questions about a club, please direct your child to see the advisor or their school counselor for help.

A reminder that all teachers will be offering one afternoon per week to meet with students for extra help. This is a great opportunity for students to catch up on missing assignments, retake assessments in alignment with our school policy, or to simply complete their homework with the assistance of a teacher nearby if needed. A list of each teacher’s afterschool day is attached. Teachers will communicate with their students should they need to change their day in a particular week, so they should pay attention to that! Students should tell their teacher during the day of their intent to stay and not just show up afterschool. Students should only stay after with teachers they have unless specific permission to do otherwise is granted. All students staying afterschool need to be supervised in a classroom.

Our afterschool sessions run from 2:40– 3:40. We have 4 Late busses available that depart CLMS by 4:00. Late busses do not run regular routes and may not drop students at their regular bus stops. Students will need a pass from the teacher they stay after with to get on a late bus. We will help students figure out which late bus they will take.
8th Grade Transition Events

If you have any questions please feel free to contact Mrs. Dolce at bdolce@waterfordschools.org

Wednesday, October 6: Lancer Tour and Fair at Waterford High School. Students will participate in an Introduction to Waterford High School, Small group tours led by WHS students and will attend the Lancer Fair which will showcase all of the clubs and activities that WHS has to offer. Students will be transported to WHS via bus at the following times:

- 8:45 AM – 10:00 AM: Terrapin Team
- 9:30 AM – 10:45 AM: Sea Stars Team

Thursday, October 7: Norwich and Grasso Tech ZOOM presentations to all grade 8 students during C period (9:53AM to 10:47AM). Students will view the zoom presentations on their classroom promethean board.

Explorer’s Café

We were thrilled to have our Explorer’s Café return to CLMS this week. This wonderful experience allows our students to gain skills in running a coffee café. With the support of staff and peers, our students prepared coffee and bagels for staff. Staff members enjoyed some time to relax while being served in the café while others received deliveries to their classroom. A great time was had by all. Thank you to the staff who helped organize and run this event and to the students in the Community Explorer’s class who helped as well.
CLMS Afterschool Help Schedule

Afterschool help runs 2:40-3:40. Students must be supervised in a classroom with a teacher when staying afterschool. Late bus passes will be issued by each teacher for students needing to take the late bus home.

Students should always communicate with their teacher during the day if they would like to stay after. Teachers will share with students of any changes to the scheduled day for a given week.

2021 - 2022 Season Update

Boys & Girls Grades 4 – 8

Waterford Recreational Basketball is excited to offer two levels of play this season: Recreational for Grade 4-8 & NEW Travel for Boys & Girls in Grades 6-8

Recreational Play: Boys & Girls - Grades 4-8
NEW Travel Play: Boys & Girls - Grades 6-8

Travel Teams will be formed during a try-out one week prior to recreational evaluations. WRB will establish one team for each grade to represent Waterford in local tournaments. Based on the success of the travel program, we will evaluate extending to lower grades in the coming seasons. To ensure the extension of our services do not negatively impact the organization, we will be requiring Travel players to also play on a Recreational Team.

Recreational & Travel teams will have weekday practices & weekend games. Practices and games will be coordinated to avoid scheduling impacts and team schedules will be shared with player families following team drafts.

** WRB NEEDS VOLUNTEERS**
To make the season successful, volunteers are needed!! We have several open board & coaching positions and will need support during weekend games. Please reach out to Waterfordbballboard@gmail.com if you are interested and/or want to learn more.

Registration Costs

Recreational: Multi-Child Discount
- 1st: $100
- 2nd: $80 / 3rd: $65
- Family Max: $245
- Late Registration: $20

Travel: $200 Per Player

Costs cover: Uniforms, insurance, referee fees & travel games (for travel teams)

Key Dates

Early to Mid-November:
- Player Clinics
- Travel Tryouts
- Recreational Evaluations

Late Nov to Early December:
- Recreational & Travel Practices
- Recreational & Travel Games

Final dates will be shared via email & social media to registered families in the coming weeks.

Questions?? E-mail Waterfordbballboard@gmail.com / Board http://waterfordbasketball.assn.la.
