Covid Updates/ Quarantine Information

As you are aware from the Superintendent’s weekly report, CLMS has experienced a few instances with staff or students testing positive for Covid-19. When this happens, we quickly do our best to contact trace and communicate with families of those students deemed close contacts. We then follow guidance by Ledge Light Health District to determine the quarantine period based on vaccination status. We appreciate the understanding demonstrated by every parent with whom we have had to contact regarding this.

It is important to also be aware that we are communicating daily with the families of students who are deemed close contacts from an out of school exposure and those who are experiencing symptoms that could be related to Covid-19. Students can be isolated or quarantined for one of three reasons:

1– They test positive for Covid-19
2– They are a close contact of someone who tested positive for Covid-19, either in-school or out of school.
3– They are experiencing symptoms related to Covid-19*

*This is the only category that allows for a “test-out” option, meaning that your quarantine period can be truncated due to negative test, and improvement of symptoms for 24 hours.

Students who are quarantined are eligible to receive Distance Learning Attendance Credit for the days they are home by completing their schoolwork asynchronously. If your child is quarantined for any of the reasons above, you will receive an email from your child’s school counselor with more details about this. Briefly, the expectation is that students, as long as they are healthy enough while at home, should be checking Google Classroom and completing all assigned work. Teachers may provide alternate assignments for quarantined students. Students who need assistance can log on to a zoom session with a tutor at 2 set times during the day. Students will also be able to zoom with their classroom teachers on their afterschool help days (more information about that is contained in this newsletter as Afterschool Help begins Monday, Sept. 20th.).

How you can help:
As you can imagine, this is an ever-changing, unpredictable situation that we are in. We appreciate parent support and cooperation with the following:

1– Please contact the nurse or administration as soon as possible if your child should test positive or is a close contact out of school. Administration can be reached in the evening and over the weekend via email at jsachs@waterfordschools.org or tmoore@waterfordschools.org. The sooner we know of potential positive cases that we might have to address in school, the better. If other students could be a close contact of your child, we want to notify their families ASAP.

2– Continuously reinforce the importance of following our safety protocols in school. Students continue to be great at adhering to expectations however, your support of continual, and proper, mask wearing and following protocols for bathroom use, lunches, lockers, and seating on busses is important in keeping all students safe.
Picture Day – Thursday, Sept 23rd

Order forms were sent home this week. A copy is attached in the newsletter. All students and staff will have their picture taken to be used in the yearbook, our student database (PowerSchool), and student ID cards.

PTO Meeting

The CLMS Parent teacher organization (PTO) gives our families, teachers and school administration the opportunity to work together to help enrich the educational experience of our students. In coming families to CLMS the PTO is a great way to be involved behind the scenes and make sure everyone is working toward the same goals. Our students education!

Join us September 29th 5:30-6:30 in the CLMS Cafetorium.

At this meeting we will be accepting nominations and voting in all four open boards member positions. President, Vice President, Secretary & Treasure.

Incoming families and current families this is your time to come alongside the teachers and school administration.

Afterschool Help & Clubs

We are thrilled to be able to offer extracurricular activities this year.

Afterschool Help: All teachers will be offering one afternoon per week to meet with students for extra help. This is a great opportunity for students to catch up on missing assignments, retake assessments in alignment with our school policy, or to simply complete their homework with the assistance of a teacher nearby if needed. A list of each teacher’s after school day is attached. Teachers will communicate with their students should they need to change their day in a particular week, so they should pay attention to that! Students should tell their teacher during the day of their intent to stay and not just show up after school. Students should only stay after with teachers they have unless specific permission to do otherwise is granted. All students staying after school need to be supervised in a classroom.

Our after school sessions run from 2:40 – 3:40. We have 4 late busses available that depart CLMS by 4:00. Late busses do not run regular routes and may not drop students at their regular bus stops. Students will need a pass from the teacher they stay after with to get on a late bus. We will help students figure out which late bus they will take.
**CLUBS**— Below is a list of the clubs that will be starting soon. Students should listen carefully to morning announcements for additional details about how to sign up and participate. There will be more clubs added throughout the year.

<table>
<thead>
<tr>
<th>Club Name</th>
<th>Description</th>
<th>Meeting dates</th>
<th>Advisor’s Name</th>
<th>Meeting location</th>

<tbody>
<tr>
<td><strong>Math Counts</strong></td>
<td>Math Counts is a club that challenges students with different math problems. Come join this club if you enjoy solving math and competing against other students. We will participate in a regional competition in early February.</td>
<td>Tuesdays beginning 9/28</td>
<td>Heather Joyner</td>
<td>C200</td>
</tr>
<tr>
<td><strong>Rubik’s Cube Club</strong></td>
<td>Students can come to learn how to solve the Rubik’s Cube. We will also work on creating the different mosaics throughout the year. I am hopeful that we will be able to have a competition this spring.</td>
<td>Wednesdays beginning 9/29</td>
<td>Heather Joyner</td>
<td>C200</td>
</tr>
<tr>
<td><strong>CLMS Art Club</strong></td>
<td>CLMS Art Club is an after school club for students that are interested in expanding their creative experiences in the visual arts.</td>
<td>Tuesdays beginning 10/5</td>
<td>Laura Provo-Parker</td>
<td>M117</td>
</tr>
<tr>
<td><strong>Jazz Band</strong></td>
<td>Jazz Band is an extracurricular music ensemble open to all students at CLMS. Instruments include those used in band with the addition of piano, guitar, and bass. This is a performing ensemble that will cover various jazz, rock, pop, and latin styles.</td>
<td>Tuesdays beginning 9/21</td>
<td>Aaron Robarge</td>
<td>Band Room</td>
</tr>
<tr>
<td><strong>CLMS GSA</strong></td>
<td>The purpose of the GSA is to provide services to those students who identify as LGBTQIA+, those who have family members that are LGBTQIA+ and their allies. The GSA serves as a safe place for students to socialize, talk about important issues and learn about LGBTQIA+ history &amp; culture.</td>
<td>Tuesdays beginning 9/21</td>
<td>Mark Higgins Erin Heller</td>
<td>S110</td>
</tr>
<tr>
<td><strong>Pokemon Club</strong></td>
<td>A place for Pokemon enthusiasts to gather for activities</td>
<td>Tuesdays beginning Sept 21 exceptions: Wed. Oct 6, Oct 27, Nov. 10, Nov. 17</td>
<td>Lori Hauser</td>
<td>TBD (Classroom will be announced)</td>
</tr>
<tr>
<td><strong>First Lego League Robotics Competition Club</strong></td>
<td>Tomorrow’s innovators practice imaginative thinking and teamwork. Guided by two or more adult coaches, FIRST LEGO League teams (up to 10 members, grades 4-8) research a real-world problem such as food safety, recycling, energy, etc., and are challenged to develop a solution. They also must design, build, program a robot using LEGO MINDSTORMS®, then compete on a tabletop playing field.</td>
<td>Mondays and Wednesdays– start date TBD</td>
<td>Ed Torres Al Carbee</td>
<td>M120</td>

CLMS Afterschool Help Schedule

(as of 9-19-21)

Afterschool help runs 2:40-3:40. Students must be supervised in a classroom with a teacher when staying afterschool. Late bus passes will be issued by each teacher for students needing to take the late bus home.

Students should always communicate with their teacher during the day if they would like to stay after. Teachers will share with students of any changes to the scheduled day for a given week.

*On weeks when there is a Faculty Meeting on a Monday afternoon, teachers will offer an alternate afterschool day as noted in parentheses.
2021 - 2022 Season Update
Boys & Girls Grades 4 – 8

Register Online
Registration Sept 20th - Oct 22nd
www.waterfordbasketball.assn.la

Waterford Recreational Basketball is excited to offer two levels of play this season: Recreational for Grade 4-8 & NEW Travel for Boys & Girls in Grades 6-8

Recreational Play: Boys & Girls - Grades 4-8
NEW Travel Play: Boys & Girls - Grades 6-8

Travel Teams will be formed during a try-out one week prior to recreational evaluations. WRB will establish one team for each grade to represent Waterford in local tournaments. Based on the success of the travel program, we will evaluate extending to lower grades in the coming seasons. To ensure the extension of our services do not negatively impact the organization, we will be requiring Travel players to also play on a Recreational Team.

Recreational & Travel teams will have weekday practices & weekend games. Practices and games will be coordinated to avoid scheduling impacts and team schedules will be shared with player families following team drafts.

** WRB NEEDS VOLUNTEERS**
To make the season successful, volunteers are needed!! We have several open board & coaching positions and will need support during weekend games. Please reach out to Waterfordbballboard@gmail.com if you are interested and/or want to learn more.

Registration Costs

Recreational: Multi-Child Discount
- 1st: $100
- 2nd: $80 / 3rd: $65
- Family Max: $245
- Late Registration: $20

Travel: $200 Per Player

Costs cover: Uniforms, insurance, referee fees & travel games (for travel teams)

Key Dates

Early to Mid-November:
- Player Clinics
- Travel Tryouts
- Recreational Evaluations

Late Nov to Early December:
- Recreational & Travel Practices
- Recreational & Travel Games

Final dates will be shared via email & social media to registered families in the coming weeks.

Questions?? E-mail Waterfordbballboard@gmail.com / Board http://waterfordbasketball.assn.la.
Please LIKE our Waterford Recreational Basketball Facebook page for league communications.
