INFORMATION SHARING SESSION

A. Superintendent’s Report

1. Community Mapping
   Ms. Reitman shared that our students came up with ways to help students with inadequate housing. They have been the inspiration for the website www.youth-help.org. Showing various programs and services available around the community to make sure students that are facing these issues have the resources they need.

2. THS Awards Night
   Ms. Reitman stated that she attended awards night, we were treated to the sight of excellence in academics across the board. Really proud of our kids, over 200 recipients receiving awards.

3. NHS Induction
   Ms. Reitman notified the Board that the National Honor Society Induction is upcoming and will be held in the Little Theater.

4. Junior Leadership NW Graduation
   We are attending the junior Leadership NW graduation ceremony on Monday, honoring 13 of our students, participate in an 8 week program put on by the NW Chamber of Commerce, at the end of the 8 week internship they have a graduation ceremony.

B. Student Report

   No student to report.

C. Staffing Reports

   Mr. Thibault reported everything looks fairly good. March and April major reduction in absences. Went from spending $56,000 on substitutes in April 2015 to $36,000 in April 2016.

D. Early Retirement Plan

   Mr. Domanico spoke regarding the early retirement incentive plan. The 403(b) incentive is in place for people who already have health insurance.

E. Mitigation Plan

   Mr. Traub stated at this point have to get to the BOF, there was a whole week of payroll that got missed in the projections. We hoped we were moving towards the better but we are not. $117,524 excess cost ECS funding that went to the City so we requested that as well. Looking to move $20,000 from Vogel Wetmore contingency fund to operating. Our deficit is $312,331. We have made several suggestions, the mayors wish is that we ask for the total dollar amount and it will be the city’s decision of where they give us that money. If we get the money it allows us to still do the ADA project.
F. Update on Interim Superintendent Search
The Chair stated that there are eight candidates so far. We would like the resumes available at Migeon Avenue next week for Board members to go to HR and review the applicants. Would like to do interviews May 31 and June 1st.

G. District Calendar
Ms. Reitman stated that they had a request from Education Connection to take a look at our calendar. We are required 2017-2018 to have a regional calendar. However, this year, it created a problem for Adult Education. We were the only district taking our April vacation after Easter. Change to the calendar which moves April vacation before Easter which then changes the last day of school to June 9th and last day for teachers for June 12th.

Mr. Traub suggested moving April vacation to taking the 17th off and keeping the last day of school the same.

H. 2016-2017 Budget
The Chair stated likely mill rate not set until end of May beginning of June. Not in a position as a Board to wait to that time if we need to take any drastic measures. We can’t wait a couple of weeks not knowing.

Mr. Traub would like to recommend to administration to start the re-districting process. At least take advantage of this three-four week time period, we can always pull the plug if we don’t have to make any drastic cuts.

Ms. Richardson stated she wouldn’t even consider closing two schools when the Board hasn’t even heard if it’s feasible, would it mean moving 7th grade to the high school or 8th grade? We do have to move forward looking at one school but we haven’t even made a decision on the options we are willing to pursue. We need to hear some specifics.

The Chair stated we have limited time, limited resources. We can’t have administration going in all different directions, we need to decide, do we want to close one school, close two schools, re-district?

Mr. Traub would like to recommend to administration to re-purpose Southwest School and move Migeon Ave. there. Mr. Maniccia, Mr. Vergaro, Dr. Brogis, Mr. Traub, Mr. Thibault, Mr. Knight and Mr. Lamoin in favor. Ms. Richardson and Ms. Hoehne opposed, does not feel that she has heard enough about the East School option. The Chair stated her concern is that Southwest is at capacity and there is no option for expansion there.

Ms. Lubomski compared closing East vs. Southwest school.

Mr. Traub made a motion to extend the meeting until 9:30. Mr. Lamoin seconded the motion. The motion passed with one opposed, Mr. Thibault.
I. Torrington Energy Efficiency Project

Mr. Bascetta stated that they heard from new vendor Green Leaf. Stated they could do an energy efficiency project for Torrington School. Already had a vendor looking at that project. He presented the Board the price on both JK Energy and Green Leaf. We’ve done business with JK Energy before. He would recommend staying with JK Energy.
