5. Food Service: Becky Tyrell Presentation
Ms. Tyrell stated each district needs to have a food service policy as per the state. Ms. Tyrell brought a sample policy that merged the CAFE model and the current policy. The procedural components don't have to and shouldn't go into the policy. Procedures may change. However, the policy will be reviewed, but not continually change each year. The policy was updated with input from all present. A revised edition will be reviewed at the March Policy Meeting.
