Mr. Kissko said the process has been disjointed with very many people involved in the process on their own committees: Economic Development, the Chamber, SGC at THS, etc. Mr. Kissko noted that schools need to be a part of the marketing strategies as well. Ms. Cappabianca suggested that students help in the marketing, possibly through the YEA (Young Entrepreneurs Association). Students could use their community service hours working toward this effort. that this year, TMS 7th and 8th grade students visited THS on Family Night. He suggested a “Shadow Day” event.
