

# MSPA Newsletter

Dear Munn Families,

We wanted to give you an update on the happenings of the MSPA. Unfortunately, we aren't able to host the events that we do in a typical year. However, we are using the money from our fundraisers to help provide some goodies to the students as well as treating the Munn staff. We also use the money toward classroom materials and experiences for the kids. We are obviously limited in what we're able to do, but we're trying to make the best of a challenging year. We appreciate your continued support!

## Special Announcements
