

MSPA VOLUNTEER FORM 2020-21 SCHOOL Year

The MSPA is always looking for volunteers to help out with our events. It's because of our volunteers that we're able to host so many family activities throughout the year. Please check off all events that might interest you, and someone will contact you near the time of the event (if not before) to discuss your interest. Please note that there are several activities that need someone to lead a committee or take charge of the event. Please note if you'd be interested in taking charge of an event or co-chairing with someone else. The MSPA board members will be there to support you in whatever you need. If you have any questions, please contact Brianna Forte - brilynn5@hotmail.com
