Numbers included in course titles designate a year of study in a multiyear sequence (i.e. French 2 = 2nd year). Letters “A” and “B” are used to distinguish between first and second semester courses.

Class rank: All courses are weighted equally and included in class rank (honors courses and AP courses are not weighted in GPA calculation)

DISTANCE LEARNING PLAN AND GRADING MATRIX (MARCH 17, 2020 - JUNE 19, 2020)
The Olympia School District’s Distance Learning Plan, approved May 2020, in response to statewide school closure due to the COVID-19 pandemic, followed state guidance for high school grading to “do no harm.” The Olympia School District determined to use the following grading system: “A” or Incomplete during this mandated school closure period. Pass (P) grades were allowed if arranged prior to March 17, 2020.

Students who met critical standards as identified by the district, received an “A”. An “A” signifies that a student engaged to the extent possible in learning activities. Students unable to minimally meet critical standards received an “I” for Incomplete.

Every high school course taken during the school closure period in Washington State was given a statewide designator on the high school transcript to denote the unique environment in which the course was taken.

GRADING MATRIX (SEPTEMBER 2020 - JUNE 2021)
The Olympia School District determined to use the following grading system: “A - C” or Incomplete during this school period.
WASHINGTON STATE GRADUATION REQUIREMENTS

- 24 credits required for Class of 2021 and beyond
- Complete a Graduation Pathway
- Complete a High School and Beyond Plan
- Washington State History

Cohort: Students entering 9th grade from July 2017 through June 2018
The requirements for the Class of 2021 are described in WAC 180-51-210.

COURSE DESCRIPTIONS

Olympia High School is committed to providing a broad range of academic opportunities to all students. By incorporating the WA 45 and CTE dual credit programs in our school, students can experience both the rigor of a college class and earn college credit while remaining at OHS. Students are able to earn that credit at either no cost or at a significantly reduced rate. Additionally, by establishing a robust dual credit program, OHS will be able to facilitate a student’s existing connections to high school clubs, sports, teachers, and friends as well as the academic support that is an integral part of the high school culture.
NEW MARKET SKILLS CENTER (GRADES 11-12)
New Market Skills Center provides career and technical education, in 22 industry standard programs, to students for post-secondary education, apprenticeships, or entrance into the workforce. Students earn up to 3+ high school credits in a full-year program, have free training, develop skills, knowledge, and attitude to successfully enter the workforce or further training.

RUNNING START
The Running Start Program in Washington State provides the opportunity for eligible high school juniors and seniors to attend college-level classes at a local community college, tuition free. Students will receive both college and high school credit for 100 level and above classes completed at the community college.

CTE DUAL CREDIT (TECH PREP) COURSES AT OLYMPIA HIGH SCHOOL
Tech Prep is a partnership between Olympia High School and South Sound Community College to provide high school students the opportunity to earn college credit in addition to high school credit in qualifying Career and Technical Education (CTE) courses provided at their high school.

ADVANCED PLACEMENT (AP) COURSES AT OLYMPIA HIGH SCHOOL (GRADES 10-12)
Advanced Placement courses follow a set curriculum taught at the college level. Colleges may award college credit based upon successful completion (as determined by the individual college or university) of Advanced Placement exams taken at the conclusion of the course. Students enrolled in AP courses have the opportunity to earn an Academic Honors Scholar Diploma.

COLLEGE IN THE HIGH SCHOOL (CIHS) COURSES AT OLYMPIA HIGH SCHOOL
College in the High School is a program which allows students in grades 10-12 to receive college credit and high school credit through college-level courses. These courses offer college credit at a significantly reduced tuition rate, and provide students with a college transcript reflecting these courses upon graduation from high school.
SAT MEAN SCORES - Highest (“super”) scores were used for students who took the SAT multiple times

- Number of Seniors in Class of 2022 = 515
- Number of Seniors who took SAT in their Junior year = 143
- Average total of SAT score = 1252
- Average ERW = 625
- Average Math = 627

NATIONAL MERIT RECOGNITION – CLASS OF 2022

- Semifinalists = 4
- Commended Scholars = 21

OLYMPIA HIGH SCHOOL INTERSCHOLASTIC ATHLETICS

The mission of Olympia HS interscholastic athletics is to provide a comprehensive athletic program that emphasizes the development of lifelong learning, skill development, sportsmanship, ethical conduct and a sense of fair play through hard work and a continued commitment to the school, the team, and all fellow students.

A member of the Washington Interscholastic Activities Association (WIAA), over 800 students participate annually for the Olympia "Bears" in 21 varsity sports, a competitive drill team, and a cheerleading program. OHS competes in the 4A South Puget Sound League and has brought home recent state tournament trophies in Baseball (2nd, 2019), Boys Basketball (4th, 2020), and Volleyball (6th, 2018).

Recent students have signed NCAA National Letter of Intents to continue their athletic careers at the University of Washington, Stanford, Notre Dame, Liberty, and Washington State.

OVERVIEW OF CLASS OF 2021
