

# Afterschool Sewing Club!!

in Room 148 with Ms. Oliveira

Please ask your in person students if they are interested in joining an Afterschool Sewing Club to make custom face masks

and pouches to carry their masks in!!

Students will learn the basic skills of sewing:

- how to thread a needle
- sewing stitches and making knots!

- pinning and cutting out fabrics
- sewing by hand and sewing machine
- choosing fun and character prints for face masks
- making face masks for themselves and family members!
- Each student will receive a personal mini sewing kit with needles, pins, threads, elastics, etc!!

Club will be held on Thursday afternoons at 2:30 to 4pm!! (parent pick-up)
