

Greetings,

My name is Helen Montgomery, and I am delighted to be a part of the Buckingham Primary School family and serve as your new principal. Our school community has dedicated, talented members committed to doing what is in the best interest of our students. We will continue to put students first at BPS and work diligently to ensure their success.

My professional background is rooted in education, leadership, and counseling. For the past twenty-one years, I have worked in public education as a leader, teacher, program coordinator, and counseling mentor. This is my third year in Buckingham County, and I look forward to using these collective experiences as your new principal.

In addition to my professional achievements, my greatest accomplishment is my family. I am a wife to my loving, supportive husband, Donte Montgomery, who is also an educator and a mother to three amazing little boys, Elijah (8), Noah (7), and Benjamin (4). As a parent, I always want what is best for my children and will work tirelessly to ensure your children have the best possible experiences at Buckingham Primary School.

This summer, I plan to work closely with Mrs. Jones, Mrs. Walker, and division personnel to ensure a smooth transition. During this time, I will learn more about our school, community, and the unique needs of our students and staff. I am committed to embracing the positive traditions and practices that are already in place at Buckingham County Primary School while working diligently to ensure success for the future. My motto is, "Students First, Every Day," and I believe all children should receive an exemplary education in an environment that is safe and conducive to learning. Together we can help our children excel and provide them with an education that is second to none.

I am honored and humbled to serve as the new principal for Buckingham Primary School and look forward to meeting our children, teachers, parents, and community members. My door is always open to you, and I sincerely welcome your input and support. I am excited about all we will accomplish together for our children and look forward to celebrating our collective success this school year.

Kind regards,
